IDEA WINS \$81 AWARD

According to the American Airlines' Paper, "Flagship News", Senior Mechanic Charles Owen Crawford, of Engine Overhaul, TULSA, with an award of \$81, headed the list of 37 who won awards totaling \$516 at the February 12 meeting of the Tulsa Suggestion Committee and the February 13 meeting of the Tulsa Suggestion Committee.

Crawford suggested that cabin supercharger bearing 77812 in the Conquest engine be modified by adding a small oil annulus to make it similar to bearing 120268. The suggestion makes it possible to meet Engineering Authorization R.121, required by the other, without having to buy a whole new set of 120268 bearings and discarding the old ones. The modification job is so simple that Conquest won't have to be brought into the Machine Shop, but can be modified on the line.

YOUNGER SISTERS WIN FIVE RIBBONS AT SHOWS

The Younger sisters, of the Lay Y stable, captured five ribbons at the spring showing of horses at Thibodaux, La., and Picayune. Their horses won in the five-gaited and walking horse classes. Judging took into consideration both the horse and the riding ability.

YOUTH CENTER PRES. GUEST SPEAKER AT ROTARY WEDNESDAY

Gregory Favre, president of the Youth Center, was guest speaker at the Bay St. Louis Rotary Club Wednesday at their regular lunch hour.

Gregory spoke on Juvenile Delinquency and the need for Juvenile Courts. He pointed out the glaring fact that each day the newspapers carried headlines on some unfortunate happening in which youth is mistakenly involved.

He spoke of the sale of Narcotics to youth and how often narcotics were found in the possession of youth and how often it was discovered that youth was becoming addicted to the use of narcotics.

"Some are sons and some are daughters," he said. He attributed these disturbing facts to lack of education, lack of supervised recreation and a lack of juvenile courts. "The first duty of the juvenile court," he said, "is correction of the offender."

The responsibility, the speaker said, is up to the home and the matter of a juvenile court is up to the city and county, but not only up to them but up to the community.

Mr. Hill, president, announced the election of new officers for 1951-52 as:

Mr. Hill, president; Kenneth Whitfield, vice president; and Carl T. Smith, secretary and treasurer.

Mr. Hill called attention to the Rotary Convention to be held in New Orleans May 20 and 21, and asked that some of the group attend. The convention will be held at the Jung Hotel. Hardin Shattuck will attend, and several other Rotarians.

LAST RITES TODAY FOR MRS. IGNAZIA P. SCHIRO, 81-YEAR-OLD RESIDENT

Funeral services were held this morning at 10 a. m. for Mrs. Ignazia Pizzola Schiro, 81, who died at the Kings Daughters Hospital on Tuesday, April 15 at 5:30. She suffered a heart attack about a week ago at her Second Street home.

The body was taken by Fahey's Ambulance to New Orleans where the funeral was held Thursday from the Lamine-Papio-Fallo Funeral Home. Following a requiem High Mass at St. Mary's Catholic Italian Church the body was interred in Metairie Cemetery.

Mrs. Schiro was the daughter of the late Mr. and Mrs. Salvatore Pizzola of Italy. She was a native of Italy and a resident of Bay St. Louis for 40 years. Survivors are her son, Dr. John P. Schiro and a sister, Mrs. Caroline Pizzola of New Orleans. She was the wife of the late August Schiro, who died here about 4 years ago.

Red Cross Funds Rebuild Damaged Home

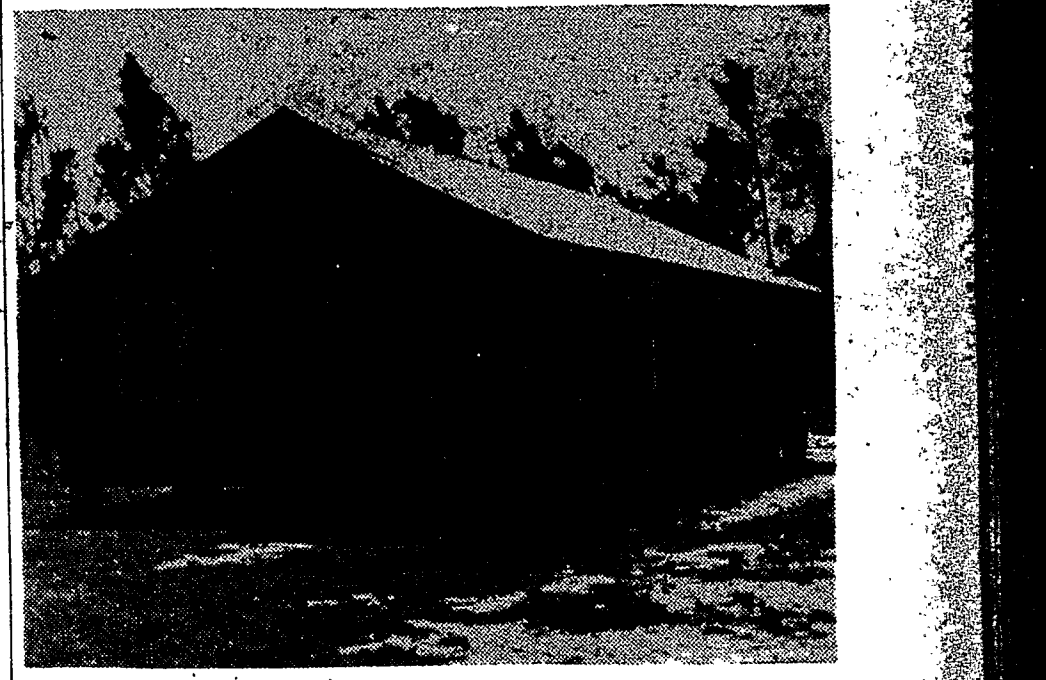

Above photo shows home of Mr. and Mrs. George Luxich, at Lakeshore, after recent storm.

Have we forgotten what has so recently been done for disaster victims within our midst? The folks whose home was damaged by the mid-February tornado have just moved back into it, completely repaired, with new Crose masts so many heads, it knows no boundaries, in peace time and in wartime, it is the one source of help for the distressed, ever ready and ever willing. . . . Red Cross begins and ends with people. . . . people who want to help and those who need help being brought together under the symbol of the Red Cross.

Your support is urgently needed to these victims makes greater the need carry on red cross services to all disaster victims. The extra dollar, half dollar, even less, could mean a lot to them. . . . shelter, medical attention, food, rehabilitation. Dig a little deeper to make the getting of your dollar gives so much, your Red Cross masts so many heads, it knows no boundaries, in peace time and in wartime, it is the one source of help for the distressed, ever ready and ever willing. . . . Red Cross begins and ends with people. . . . people who want to help and those who need help being brought together under the symbol of the Red Cross.

Today's headlines tell of even greater losses by flood, the burden of relief to these victims makes greater the need carry on red cross services to all disaster victims. The extra dollar, half dollar, even less, could mean a lot to them. . . . shelter, medical attention, food, rehabilitation. Dig a little deeper to make the getting of your dollar gives so much, your Red Cross masts so many heads, it knows no boundaries, in peace time and in wartime, it is the one source of help for the distressed, ever ready and ever willing. . . . Bridge Work Has First Fatality

A dock builder was killed last Thursday while working on the new bridge across the Bay of St. Louis.

The victim, Roy Hilliard, 34, was knocked into 12 feet of water when a cog in the jack he was using broke and the handle struck him in the head, according to W. D. Hand, project superintendent for Merritt-Chapman & Scott.

The body was sent by train from Fahey Funeral Home to Willoughby, Ohio, near Cleveland, Friday for interment. Mrs. Hilliard left by plane for Cleveland.

Rev. Schuyler Batson, pastor of the First Baptist Church, officiated at religious services at the Fahey Funeral home before the body was shipped.

Mr. and Mrs. Hilliard came to Bay St. Louis with the construction company in September, 1951.

Admiral Corp. Announces Television Improvements

Chicago, April 14—Admiral Corp. will give free to any one of its more than 2,000,000 present television set owners with turret tuners and to any purchaser of sets in 1952, a tuning strip to make available to those who can this year receive telecasts of the newly authorized ultra high frequency (UHF) stations, Richard A. Graver, Vice president, electronics, Admiral Corp. announced today.

He said that no outside converter was required and explained that a serviceman had to do was remove one of the unused VHF tuning strips in the company's turret tuner and insert a UHF strip.

Admiral, first with the turret tuner, long has anticipated the use of ultra high frequency in the manufacture of its sets. UHF stations will be a boon to small cities located far from television network "hubs," Graver said. "UHF telecasts will provide many hours of entertainment and educational programs for hundreds of thousands of persons when they begin."

ANNUAL L W V MEETING HELD WEDNESDAY APR. 9

The League of Women Voters of Bay St. Louis held their annual general meeting on the evening of Wednesday, April 9 at 8 o'clock, at the Youth Center.

Guest speakers were Mrs. Martha Robinson, president of the New Orleans League, and Miss Katherine Burnett, field secretary of the National League in Washington, D. C.

New members elected to the board were Mrs. Paul Loup, treasurer; Mrs. C. C. McDonald, second vice president; Mrs. Al Weinfurter, membership chairman and Mrs. John Joyce, chairman of voters service.

Mrs. Ernest Samuel spoke about the first State convention, to be held in Natchez on May 12. Official delegates named to the convention are Mrs. E. P. Kirkpatrick and Mrs. Wm. Hill, but it is hoped that as many members of the league as are able to go will take advantage of an opportunity that will be both inspiring and delightful.

Those who desire to go are asked to get in touch with Mrs. Paul Miller as soon as possible, so that transportation can be arranged.

Mrs. Samuel was named delegate to the National convention, which will be held in Cleveland, Ohio, from April 28 till May 2.

Mrs. Robinson spoke very interestingly on the purposes and accomplishments of the League of Women Voters, talking particularly about its largest Voters Service project to date, "The Citizens view of 52," a program to have forums in many of the cities and towns where local leagues will discuss which topics they would like to hear discussed on a panel of all presidential candidates. These candidates have accepted the League's invitation to appear at the National Convention and through a tie-up with the National Broadcasting Company and Life Magazine, answer the questions submitted to them by the local leagues.

Further news of this unprecedented broadcast will be given in the Hancock County Eagle at a later date.

BASEBALL SEASON

April is the month in which the Major Leagues open the season and the month in which many Minor Leagues begin the year's diamond activity. It always coincides with the arrival of Spring and heralds the approach of Summer.

To school children, it also is the vacation sport, continuing all through the Summer vacation and ending in an October World Series. Baseball is commonly known as the national pastime of American sports because of its long history throughout the years. Perhaps the finest thing that can be said about baseball is the lack of scandal and corruption which has been a trademark of the sport ever since Commissioner Kennesaw Mountain Landis cleaned up the 1919 Black Sox scandal with a strong hand.

Since that time there have been minor ripples or individual scandals, but the sport itself has come through the years intact without the stigma of gambling connections or intimidation of players.

Baseball is a clean sport—one which requires both skill, speed and some mental ability in the field of quick decision. It is a sport which requires years of training to master.

As long as this sport continues to operate on high ethical lines, it will be tops in the minds of American sports fans. As it is today, it is reflective of the best things that are America.

WAVELAND WANDERINGS

By GEORGETTE R. HALL

Pretty little Ellen Marie Colson, young daughter of Mr. and Mrs. Joe Colson, celebrated her fifth birthday Easter Sunday afternoon at the home of her parents on Beech Road. Thirty guests enjoyed the games and the delicious refreshments and the birthday cake was enjoyed by the children and other guests. Many happy returns of the day are extended to this little girl.

Mrs. Ruth Dufour had the formal opening of her new place of business Saturday night, and a large crowd helped to wish her success in her new venture. The former Hill Store has undergone a complete transformation and is now one of the most attractive dance spots along the coast. Decorations are modernistic. There is a dance floor and cocktail lounge. On opening night the crowd danced to the music of Charles Bourgeois and his band from the steamer, President.

A few weeks ago it was announced that a cash prize would be given to the person submitting the most appropriate name for the new place. According to Mrs. Dufour, Mr. Wilson of Clearmont Harbor won first place for his name, "Top Hat." Mrs. Wiley took second place honors with her name, "Happy Hour."

Sympathy is extended to Mrs. James McConnell and family of Waveland upon the death of Mrs. McConnell's mother, Mrs. Chas. Hammonds, of Monroe, La.

Mr. and Mrs. Ed Gibson and children of New Orleans visited Mr. and Mrs. Ed Gibson of Waveland Sunday.

Mr. and Mrs. Sam Celino and Mr. and Mrs. J. Quaid were also guests of the Gibsons.

Miss Mary Alice Norman and Miss Helen Sanders were guests of Miss Margie Linfield during the Easter holidays.

Mr. and Mrs. Brewster Mollere motored to New Orleans Tuesday on business. Mr. Mollere is now established in the Mollere Realty Building and is dealing with the public in his new business—watch repairing.

Pretty Ann Jenkins, younger daughter of Mr. and Mrs. A. Jenkins, was featured in the Campus Queens section of the Bay High annual, "The Tiger," which came out this week. Ann was chosen for this beauty section by the student body of the school.

Rehearsals are now underway for the annual senior play at Bay High School. The play, a comedy-farce entitled "Mumbo Jumbo," is to be presented in the school auditorium April 25. Miss Vesta Hartfield takes one of the roles in the play.

Mrs. A. R. Jenkins, daughters Ann and Barbara, and Mr. George Thorne of Algiers, La. motored to Mobile on Friday.

Dr. and Mrs. Philip LaNess and

children spent the Easter holidays in their beach front home.

Mr. and Mrs. Henry Jones enjoyed the weekend in their lovely home on Beach Boulevard and Marine Street.

Mr. and Mrs. Charles Leach and Mr. and Mrs. Charles Leach spent the weekend in their home on Market St.

Mr. and Mrs. William E. Cobb were Easter dinner guests of Mr. and Mrs. Duane Bourgeois. Mrs. Cobb is the former Audrey Bourgeois.

Mr. and Mrs. Morris Rougeois visited the Alfred Rougeois family during Easter.

Mr. and Mrs. Ralph Morel had as their guests during the weekend their daughter-in-law, grandchildren and other friends.

Little Mary Lou Hardin is recuperating from the measles. Mary Lou has also been battling the chicken pox. Speedy recovery is wished for this little girl.

Mr. and Mrs. C. B. McCall had as their guests during the weekend their daughter-in-law, grandchildren and other friends.

Mr. and Mrs. Walter Carver had as their guests for the weekend Mr. and Mrs. Harry Carver, Mrs. Maurice Martin and her three daughters, Jennie, Betty and Cathy.

Mr. and Mrs. James Mocklin Jr. and daughter Jamie and sons Jim and Keith spent the weekend in Waveland. The Mocklins occupied their attractive cottage on Sandy Street.

Mrs. Ruth Ketchum and daughter, Clara Lee, were in their home on Pine Street during the Easter holidays.

Miss Esther Kirch, sister of Mrs. Ruth Ketchum, spent the weekend in her cottage on Pine Street.

COAST TO HAVE NEW CHANCERY COURT DISTRICT

Jackson, Miss.—A new Chancery Court district composed of George, Greene and Jackson Counties has been authorized by the Legislature.

Sens. Hermes Gautier of Pascagoula and Howard McDowell of Biloxi guided the measure through the Senate Saturday and Rep. Reeco Bickert of Gulfport got House approval just before final adjournment.

The present Chancery Court district includes Harrison, Jackson, Greene, Stone and Hancock Counties. McDowell said Harrison County alone accounted for more cases than Hinds County which is a district by itself.

CLAIMS TOURISTS SPENT \$244 MILLION IN MISSISSIPPI

Mississippi realized an estimated \$244,789,844 from tourist traffic in 1931, according to figures just compiled by the travel department of the Mississippi Agricultural and Industrial Board. "This was a 10 per cent increase over tourist businesses for 1930," according to A. H. Taylor, Jr., manager of the travel department, who made the estimate based on gasoline tax collections.

Sixth Birthday Party

Even with the measles and chicken pox all over the city, Larry Lake Jr. and some of his friends at his party to celebrate his sixth birthday Monday, April 7.

There was a chocolate birthday cake, punch and cookies. The Easter party was carried out with six white bunnies, each with a candle, on top of the cake. There also were baskets, filled with chocolate bunnies and colored eggs, blue and white bags, gobs and balloons.

Those helping Larry celebrate were Mike Collier, Judy and Dottie Estapa, Tony Cox, Don and Billy Thomas, Irene, Teddy, Jerry and Billy Thomas, Geraldine and Billy Kidd, Larry and Bruce Cox, Hank and Jan Olenoch, Donna Lou, Plares, Connie Demoran, Pat and Mike McGinty, Kathleen and Richard Schaeffer, Janet and Barbara Sancier, Butch Rhodes and Linda and Rita Morel.

Adults attending were Mrs. Pat McGinty, Mrs. Laurence Cox, Mrs. P. J. Collier, Mrs. Camille Schaeffer, Mrs. Nellie Rhodes, Mrs. Dan Murphy, Mrs. Frank Taconi, Mrs. Harold Sancier, Mrs. Bert Estapa and Miss Ann Demoran.

DELTA PROGRAMS ATTRACT MANY

Nearly 3,000 farmers have attended meetings this spring on cotton insect control and chemical weed control in Delta counties and the Brown Loam area counties adjoining the Delta. L. H. Mosely, district extension agent for the Northwest, District has announced.

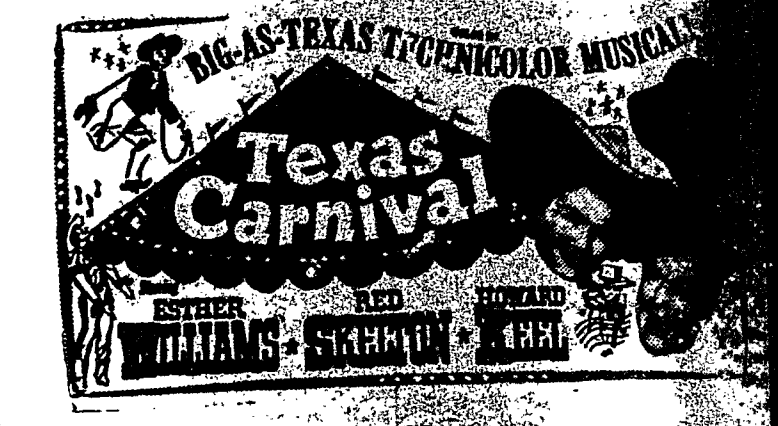

The purpose, Mr. Mosely pointed out, was to give farmers the very latest information that would be beneficial in producing a crop as economically as possible.

Can America escape socialism?
Some nations couldn't. And there are people in this country who are trying to push America down the same road. They don't speak out for socialism openly—they know most Americans don't want it. Instead, they give persuasive reasons for the steps that lead to socialism. There's one place that will help you recognize this hidden socialism. It's the old line: "Let the federal government do it—or run it—or take it over—or own and operate it." When you hear that, look out. For the more things the federal government runs, the closer we are to socialism—whether we want it or not—and the fewer rights and freedoms we have left for ourselves. America can escape socialism—here's how you can help: Recognize the steps that lead to it. Help your friends and neighbors see the danger. And use your ballot wisely!

ANNOUNCEMENT HANCOCK COUNTY SOIL CONSERVATION DISTRICT BAY ST. LOUIS, MISS.

Conservation

We wish to express our appreciation to the Vocational Agriculture Teachers and G. I. Instructors, for their valuable assistance in conservation education work among their students and assisting in tours conducted in the county.

We wish to express our appreciation to the Mississippi Forest Service for furnishing pine seedlings to the farmers of the district and for suppressing forest fires in the county. Also, Mississippi Game and Fish Commission for furnishing trespasser bounty plans for developing quail feeding areas and delivering fish to stock ponds on farms in the district.

We wish to express our appreciation to the Hancock Board of Supervisors for furnishing the District Commissioners with funds for operational expenses. We wish to express our appreciation to the banks, especially the Hancock bank for furnishing a tree planter to the farmers to plant pine seedlings.

We wish to express our appreciation to the seed dealers, fertilizer dealers and equipment dealers of Piquette, Mississippi for their valuable assistance for helping us to develop better conservation in the district.

We wish to express our appreciation to the Sea Coast Echo and Hancock County Eagle, also the Piquette Item of Piquette, Mississippi, for publishing news articles and educational material disseminated for the public benefit.

Since the farmers of Hancock County Soil Conservation District have shown more interest in livestock, we shall strive to continue to have more and better pastures in 1952.

Woodland management is one of our primary interests. Since such a high percentage of the District's land is best suited for woods, we will strive to continue to conserve and improve our woods. Among the practices to be stressed this year will be fire protection, selective cutting and tree planting.

OTHO REXTER, Chairman
Hancock County Soil
Conservation District.

ANNOUNCEMENT HANCOCK COUNTY SOIL CONSERVATION DISTRICT BAY ST. LOUIS, MISS.

Conservation

Thursday, April 24, the annual Career Day Program will be conducted for the benefit of the high school students of Bay High. The activities will begin at 8:45 a. m. with a general assembly in the auditorium at which Dr. C. P. Hagan of Gulf Park College will address the students on the importance of choosing and preparing for one's life work.

After the general assembly, each student will attend a group meeting of his choice at which a specialist in each of several important occupations open to young people will lead the discussion. Group meetings will be conducted by leaders in their respective fields as follows: Engineering, Aviation, Nursing, Photography, Automobile Mechanics, and Home-making. At the group meetings each specialist will discuss the advantages and disadvantages of his occupation and the qualifications for entering that particular field of employment. Students will be encouraged to ask questions and participate in the discussions.

Occupations that will be discussed were selected on the basis of questionnaires which all high school students completed in which they suggested the occupations in which they were interested.

Career Day is considered one of the most important days of the school year at Bay High. Parents and other interested persons are invited to attend the general assembly or any of the group meetings.

TEMPLE PERKINS TO REPRESENT BAY HIGH

Temple Perkins will represent Bay High in the Piano Festival at Pascagoula Saturday, April 19. Temple is a member of the Junior class at Bay High, but will be entered in the senior division of the festival.

SUMMER RECREATION PROGRAM

Coch Nobles of Bay High will be in charge of a summer recreation program for all boys and girls in Bay St. Louis between the ages of 9 and 14. This program will include the following games and events: fishing contest, softball, hiking, picnics, volleyball, free movies, wiener roast, swimming, horse shoes, camping trips (for boys only), bathing beauty contest (for girls only), community sing, and many other interesting games and activities.

A fully outlined program will be in the Eagle in the near future.

ELEMENTARY SCHOOL ASSEMBLY PROGRAM

Mrs. Ashcraft's pupils entertained the pupils of the Elementary Department at Chapel Friday morning, April 11.

The program consisted of 10 songs. "Welcome by Michael Aldrich, A morning prayer in song, "Mother's Easter Bonnet", Rhonda Osborne, "Easter Day", Irene Thomas, and "April" by Margie Patterson.

SENIOR PLAY REHEARSALS

The seniors are now rehearsing every night for their play "Mumbo-Jumbo", which is to be presented Friday, April 25. Admission for the play is 25 cents for students and 50 cents for adults.

ANNUALS ARRIVE

The annuals which the Bay High seniors published have arrived and were distributed to students April 14. The dedication of the Annual was given to Mrs. Gertrude Hall, senior sponsor. The annual has a white padded cover. The book contains sixty-six pages, fourteen of which have been published at Bay High. One hundred copies were ordered.

FILM STRIPS

All English classes enjoyed film strips this week. The films, pertaining to studies now underway in English classes, were "Macbeth," "Introduction to Shakespeare," and "The Elizabethan Theatre."

Mrs. T. J. Broadus and Mrs. Norman Hall, English teachers, supervised the showing of the films.

MORE STATE COLLEGE ALUMNI IN WHO'S WHO

Thirty-eight more alumni of Mississippi State College are listed in the 1950-51 edition of Who's Who in America than in the 1938 edition, according to a survey published in a recent issue of School and Society. This is a gain of 253 per cent during the past 12 years, and ranks 118th in a list of 289 colleges.

MEDICAL LOAN FILING PERIOD UNDER WAY

Many applications for State medical education scholarship loans to become effective in summer and fall of 1952 have been received according to the State Medical Education Board office. Applications have come in steadily since March 1, and will be considered by the board after May 1, following thorough study and processing.

MISSISSIPPI'S WEATHER

February's weather, like January's, was unusually warm and dry according to the weather records at Mississippi State College this year. The total rainfall was 3.09; the average maximum temperature was 62.8 degrees, 2.9 degrees above the 42-year average. The average minimum temperature was 43.6 degrees, 6.0 degrees above the 42-year average of 37.6. There were seven days with temperature of 70 degrees or above, and four days with freezing temperature.

PAID PRICE LEVEL

The general level of farm product prices declined sharply last year, but the decline was temporary and prices are now rising. The American Farm Bureau reports that prices of farm products were up 10 per cent in 1951 from 1950. Prices of such crops as wheat, corn, cotton, and soybeans were up 10 per cent, while prices of such crops as rice, sorghum, and oats were up 5 per cent.

TECHNICAL CARNIVAL AT HIGHLAND PARK ON SUNDAY AND MONDAY, TUES.

There is happy entertainment for everybody in M-G-M's new big-
screen-looked new Technicolor Musical, "Tennis Carnival."

Kather Williams shows off that famous equine figure this time as a carnival trouper. Her job is to sit in a bathing suit on a breakaway seat constructed over a tank of water. Patrons pay to throw balls at a target and if it is hit, Esther gets a dunking. The sponsor for this act is Red Skelton, who gets himself and his star performer into more trouble than a barrel of monkeys. For songs you have Howard Keel as a warbling cowhand. For dancing you've got fast-stepping Ann Miller, with Paula Raymond and Keenan Wynn also on hand in a story which sets a record pace for hilarity and which winds up with Skelton winning a chuck wagon race in which he does everything but drive the horses while standing on his head!

Kergosien Infant Christened

Cortice Anne, infant daughter of Mr. and Mrs. Ogden Kergosien was christened at Our Lady of the Gulf Catholic Church on Easter Sunday afternoon.

Mrs. J. Cyril Glover and Dr. Louis Matus were the sponsors.

Rev. Father Grant performed the baptismal rites.

FOOD PRICE DROP

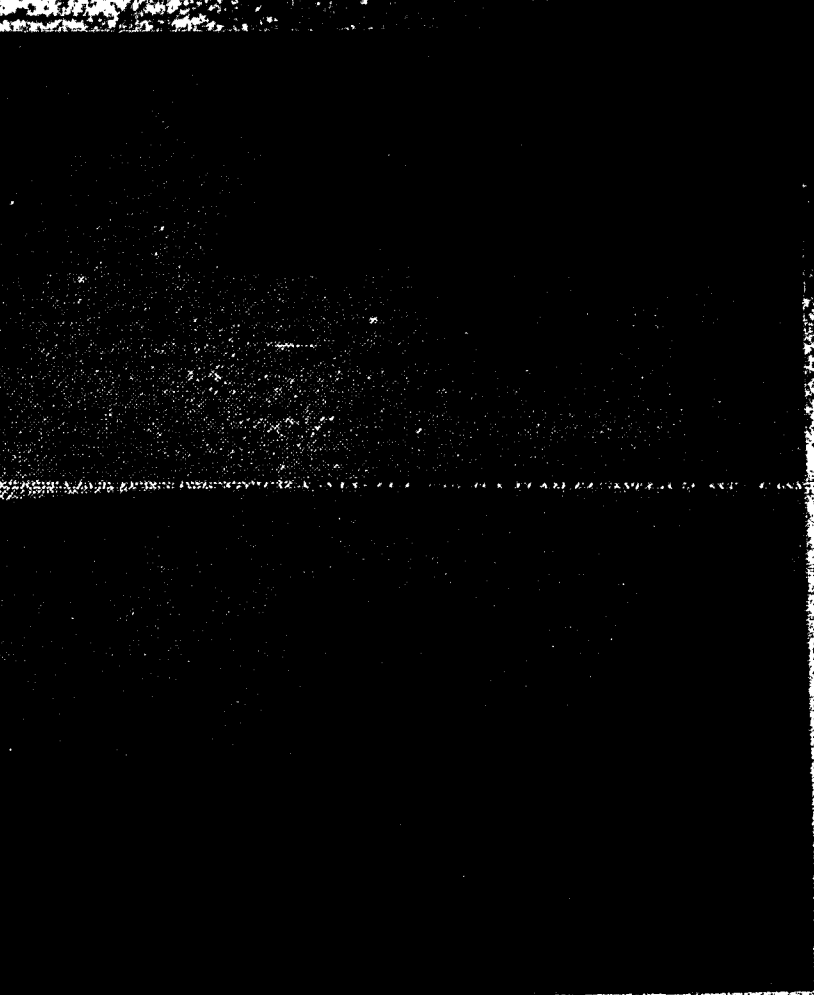

A sharp drop in food prices at wholesale and retail during the latter part of February made a decline in the Consumer's Price Index this month almost a certainty. The chief factors at the retail level were seasonal declines in eggs and fresh fruits and vegetables.

TIPSTERS

Informers collected \$500,000 in rewards last year for putting Internal Revenue agents on the trail of some \$9,700,000 in unpaid taxes. This was the maximum amount allowed by law during the 1951 fiscal year to 121 persons, whose tips netted them anywhere from \$25.92 to \$62,000, or about ten per cent of the amount the Government collected.

EXPECT LARGE CROWD FOR "VISITOR'S DAY"

Over 4,000 high school and junior college women students have received invitations to attend the Mississippi State College for Women's first "Visitors Day" program to be held April 26, according to President B. L. Parkin. The open house will feature a full day's program of entertainment, auditions, exhibits and demonstrations and workshops.

Shown above is the recently-completed American Legion Pier. This pier was built for the use of the public, a civic gesture highly to be commended. Plans also call for the building of a sand beach. —Photo by Jim Peltier

Not "warmed over"
but strictly brand new!

YOU owe it to your pocketbook to drive this Chrysler engine before you buy any fine car today.

It's not a "warmed-over" engine, but a basically brand-new one!

It gives a new kind of performance that means new value for every dollar you pay out for purchase, upkeep, or operation.

It was built brand-new around a hemispherical combustion chamber which makes better use of gasoline, and also permits sounder all-round engine structure, than any American motor car engine has had before.

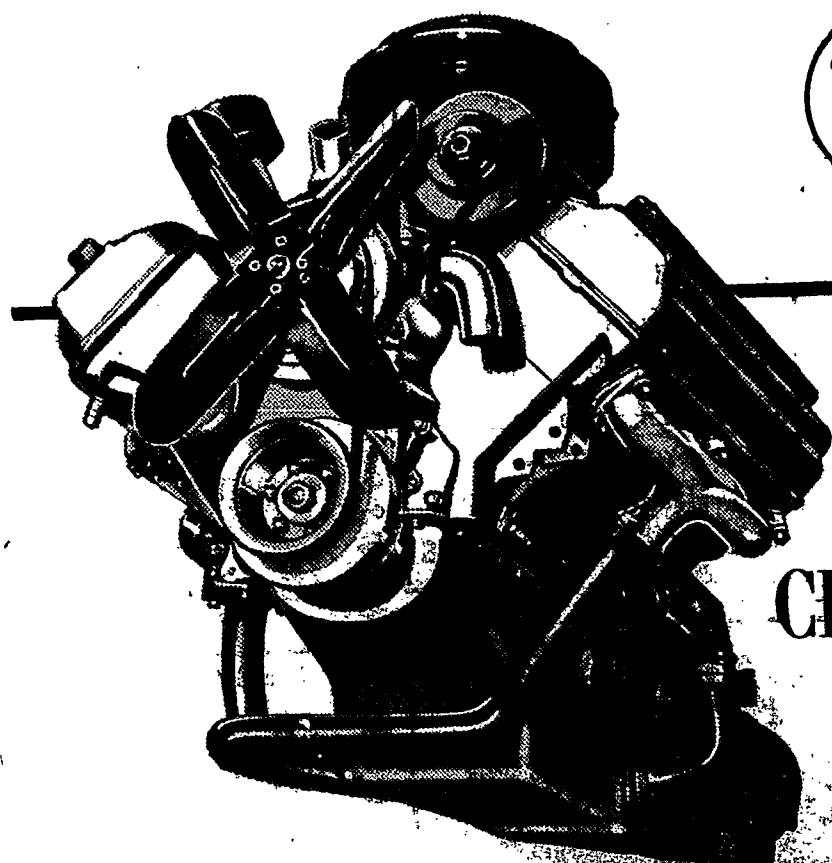

It delivers 180 horsepower... without requiring you to buy premium gasoline. It runs with less waste, less heat, less friction and less wear than previous designs can

equal. Its combustion is so clean it literally develops almost no carbon deposit at all.

It will last longer than any engine you've ever known. It will cost you less along the way. It will stay "young" in performance thousands of miles past the point where an ordinary engine shows old age.

And on top of all that, it makes driving a lot more pleasure! Its smooth response... its safety-power, in reserve for emergencies... its easy scorch for distance or hills... make you just plain feel good at the wheel as you've never felt before.

For the good of your purse and your pleasure too... we invite you to drive it, soon!
